About the Guest Speaker

Rotary Club of Ithaca member Gertrude Noden brings over two decades as classroom teacher and outreach program developer, wherein she nurtures primary through college level students and educators to become world citizens through her innovative Human Rights Curriculum. Gertrude's vision has brought thousands of students' interdisciplinary plans of action to fruition through local and global humanitarian projects, which have been recognized by national and international organizations and institutes of higher learning. As the founder of *Words Into Deeds, Inc.* 501c3 www.wordsintodeeds.org she facilitates students' partnerships with grass roots organizations in action oriented leadership and global citizenship programs working towards achievement of the 7 Rotary International Goals for peace and security.
