

6.16.2022 ROTARY MINUTES

PRESENT: Joseph Barrett, Mary Bouchard, Shelly Bullock, Zoren Bullock, Peggy Haine, Michael Jimenez, Joan Munich, Tom Overbaugh, Angel Stillions, Durand Van Doren, Frank Zgola

GUESTS: Student of the Month Grand Prize Winner Finley Redmond and her mom, Nina Redmond

The meeting opened with the customary salute to the flag, patriotic singing, and thought for the day, and a hearty dinner of rice and bean casserole and colorful salad provided by Durand and Frank.

Tom and Frank presented Finley Redmond with a check for \$1,000 which she said she'd put toward a car. Finley is hoping to do her undergraduate work in library-science-related fields and to then pursue a masters' degree in library science. She has served as a volunteer in both the school library and the Ulysses Philomathic Library. Her mom, Nina Redmond, said she enjoyed the meeting and expressed an interest in joining Rotary.

Tom informed the club that the new grill had been completed by the folks at BOCES, and that it would get a workout at Saturday's chicken barbecue. Kudos to Tom and Zoren for seeing this through.

Angel and Shelly reported on the upcoming Golf Classic. CSP has signed up two teams and has agreed to sponsor the lunch. Eleven teams in all have signed up, we have many hole sponsorships and more coming, and several signed teams are short a player, but they still have time to dredge up a fourth. All agreed that Angel has done an immense amount of work corralling the many details of this tournament, and several members expressed their gratitude.

Durand asked for backup for his new community service project, helping neighbors get their trash and recycling to the curb, and Joseph volunteered to help.

The meeting of June 23rd will be our Pass the Gavel celebration, and President Kathleen and President-Elect Tom will provide dinner.

Tylar Henson and Company of the American Red Cross will be our speakers this coming week, and Joan Munich will tell us about her adventures in Greece the following week.
