Pass The Gavel meeting at Overbaugh's home

There is an article in the Tompkins Weekly about our Service Above Self winner for 2022-23 school year – Maya Washburn.

President Tom opened the meeting at 7:35 after a fun picnic with hamburgers and hot dogs, and trimmings. He presented a not-so-new member packet to Pat Jung, who was surprised to get it since she has been a member for a year.

He also presented a Paul Harris Fellow award to Frank Zgola (his fifth), recognizing his contributions and constant service to our club.

Pass the Gavel – we had a short ceremony to pass the gavel from President Tom to now-president Dorand VanDorn. Dorand promised music with our dinners and maybe reviving the fine policy. He suggested it was time to raise our BBQ prices, so the club voted all in favor of changing from \$13 to \$15 per dinner.

For 2023-24 – Treasurer, Michael Jimenez and Secretary Cindy Kain (once she's up and running). Kathleen will do minutes until Cindy returns.

Pat Jung entertained us with her passion – she built a hot-air balloon from scratch. She showed us all a short presentation of slides, depicting her project and flying the balloon. Very interesting – it's wonderful to learn about the passions of our members. We are so diverse.
