

## **TRUMANSBURG ROTARY MEETING MINUTES FOR March 25<sup>th</sup>, 2021**

- ☞ President Peggy started the meeting by asking Frank for the Duck Race report and Frank is doing a good job organizing and Mary Guy-Sell is helping with the making and printing of the tickets and poster.
- ☞ Mary G-S reported on the golf tournament. It was decided that this year we will give out cash prizes for the top 3. There are several areas that need volunteers and as Mary listed them several members have offered to help in those areas.
- ☞ Peggy reported that the Supermarket Sweeps will be held on, Tuesday, May 4<sup>th</sup> at the Shursave. Peggy will start selling tickets at the Shursave to get us started and then will add the duck race tickets as time goes on.
- ☞ Mary G-S discussed the different websites that she created, and it is determined that we will use all of them for the first year and then evaluate what one gets the most traffic and drop the rest. Mary is also taking over our current Clubrunner website.
- ☞ Peggy reported that we are getting nowhere on an update from the Stay Wild Rescue grant.
- ☞ Neil reported that he is working on a draft for the Student of the Month award. This will be started at the beginning of next school year.
- ☞ Neil is also taking over our Facebook page. Check it out.
- ☞ Peggy announced that Kathleen will be President after Dennis and Mary Bouchard will take over the treasurer duties at that time.
- ☞ Tom reported that the Youth Exchange Program is again suspended for the '21-'22 Rotary year.
- ☞ Shelly told us about what our Youth Exchange Team came up with to help the students who still want to participate even though it has been suspended from actually going abroad, it is call Global Connection. They will be matching up YE students with YE students from another country. There will be an agenda for each "meeting", they will meet weekly or more if they choose, and the program will run from June-September.
- ☞ Durand, our Membership Chair, then gave an introduction of Angel Stillions, our newest member.
- ☞ Angel was born in Ithaca. She went to Trumansburg School and was an Exchange Student to Japan in 2004. Upon completing High School Angel went to University of Kansas in Lawrence, KS and then to Washburn University in Topeka, Ks. She has worked several jobs including teaching English in Bolivia. She is currently working at her parents' business, Pine Tree Farms. She is a master composter and likes to hike. She has traveled to several countries and is glad to be back in the United States. Angle also likes cats and dogs and helping animal rescues.
