

TRUMANSBURG ROTARY MEETING MINUTES FOR April 15th, 2021

- ☞ President Peggy started the meeting by having Frank introduce our guest speaker, Rick Manning who gave a presentation on Stewart Park and how it was established and how it was revitalized over the years. Rick showed slides from the beginning in the 1870s with rowing as the main sport of the time. Later trolly were used to give rides. Many would visit the park by boat from resorts along Cayuga Lake. Rick noted that the park was an important birding spot. The Warton family came in the early 1900s and built a studio and made many silent movies including some with the Barrymore family. The Ithaca Bird helped improve places for migrating birds to stop. This was only the halfway point in Rick's presentation and I'm sure he will be back to bring us from the 1900s up to today.
- ☞ We are all set for our first BBQ of the season this Saturday.
- ☞ There will be postcards handed out with our BBQ, duck race and golf tournament dates on them.
- ☞ Frank reported that the tickets for the duck race are getting close to being sold out.
- ☞ Peggy reported that we have sold around \$1500 worth of tickets for the Supermarket Sweeps.
- ☞ Frank reported that the district has decided not to do RYLA again this year but will probably open it up in the spring of 2022.
- ☞ Neil reported that our Facebook page is coming along nicely with a lot of good responses.
- ☞ The club has decided to give the After Prom Party \$400 this year to help with expenses.
- ☞ It was also decided to give the Friends of Stewart Park a \$100 donation.
- ☞ Our club is AWESOME and everything seems to be coming together nicely.
- ☞ The meeting ended at 8:08.
